6th Annual - School Nurse Summer Institute

PREPaRE: School Crisis Prevention and Intervention

June 17 (and/or) 18-19, 2019

This training is designed to help schools meet the needs of the students, staff, and families following a crisis event. PREPaRE curriculum was developed by the National Association of School Psychologists (NASP). The curriculum builds on existing personnel, resources and programs, links to ongoing school safety efforts, provides for sustainability, and can be adapted to individual school needs and size.
